PRELIMINARY AMENDMENT

Prior to examination, please amend the application as follows:

In the claims:

Amend claims 2-4, 6-8, 10-12 and 14-27 as follows:

-
- A1
2. A semiconductor device according to claim 1, wherein a pixel electrode is formed on said insulating film and said second electrode is in contact with said pixel electrode.
3. A semiconductor device according to claim 1, wherein said second electrode is a pixel electrode.
4. A semiconductor device according to claim 1, wherein said semiconductor device is incorporated into electronic equipment selected from the group consisting of a personal computer, a video camera, a mobile computer, a goggle type display, a player, a digital camera, a front-type projector, a rear-type projector, a portable telephone, a portable book, and a display.
-
- A2
6. A semiconductor device according to claim 5, wherein a pixel electrode is formed on said insulating film and said second electrode is in contact with said pixel electrode.
7. A semiconductor device according to claim 5, wherein said second electrode is a pixel electrode.
8. A semiconductor device according to claim 5, wherein said semiconductor device is incorporated into electronic equipment selected from the group consisting of a personal
